Sir:

This Supplemental Request for Certificate of Correction is being submitted due to an inadvertent error on the Certificate of Correction submitted on January 11, 2007. The correction made in regard to "Col. 9, line 17: "galacturonate N-methyl glutamine" should read – galacturonate, N-methyl glutamine--" should not have been made. Please delete this recitation. Also, the correction in the Read reference is at page 2, col. 1.

It is requested that a Certificate of Correction be issued to correct these errors in the Certificate Correction for the above-identified United States patent. One copy of the text of the Certificate in the suggested form is enclosed.

Issuance of the Certificate of Correction would neither expand nor contract the scope of the claims, and re-examination is not required.

Please charge any additional fees to Merchant & Gould P.C., Deposit Account No. 13-2725.
